Owing to Sir Robert Sutton upon an Estate at East Drayton in the County of Nottingham, by virtue of several Mortgages and Securities for Sums of Money he at several Times advanced, amounting to 2050 l. which is still owing with Interest. Sir Robert is, by an Order of the Court of Chancery, to stand in the Place of Edmund Lascells, who became a Bankrupt, and since deceased, and was reported the best Purchaser for this Estate at 4700 l. Sir Robert has been, and now is, in the Receipt of the Rents and Profits of the same, which amounts to about 152 l. per Annum; but no Conveyance is taken, and no more Money advanced than the before-mentioned Sum of 2050 l.						
Sir Robert has a Claim upon the late Abraham Stanyan, Esq; for 15500 current Dollars, which he received at Constantinople of Sir Robert's Money: Mr. Stanyan makes also a Claim upon Sir Robert Sutton for one half of the Presents and Allowance for Provisions that were made to the said Sir Robert Sutton on the Mediation of the Peace at Passarowitz, which together amounted to about the Sum of 3400 l. This Matter is still undetermined; so the Sum due upon this Account cannot be estimated.

*A Particular of the Real and Personal Estate of Sir
ROBERT SUTTON, this Twelfth Day of September
1732.*

Real Estate.

The several Estates in *Lincolnshire* and *Nottinghamshire*, mentioned l. s. d.
in the foregoing Particular to belong to Sir Robert Sutton, the
First January 1730, are the same which he is now seized and
possessed of, or intituled unto, he having made no Sale or any
Purchases since that Time, or for some Years before, so need
not be particularized here.

Personal Estate.

The Personal Estate of Sir Robert Sutton is exactly the same now
as it was the 1st Day of January 1730, and is mentioned in the
foregoing Particular, only the Alterations have been made in the
following Particulars, and in no other, viz.

The Lease of *North Hickham* in Security from Mr. Robert Eastland
for 300 l. has been assigned by his Administratrix to Sir Robert
Sutton, in Consideration of the Principal and Interest then owing.
And Sir Robert is now in Possession of the Estate, and in the
Receipt of the Rents, which is 44 l. per Annum, subject to
a reserved Rent to the College; but the same is still thought to
be only a Security, Sir Robert having an Intention to sell the
Estate, and promised to account to the Administratrix for the
Overplus that should be produced on Sale, after the Payment of
his Principal and Interest, so is not inserted amongst the Rents of
Sir Robert's Estate.

John Edlington, late Steward to Sir Robert Sutton, upon his *Notting-
hamshire* Estate, being indebted to Sir Robert the Sum of 810 l.
18 s. 2 d. $\frac{1}{2}$ which he acknowledged by an Account stated and
signed by him 30th October 1731, did, for Security of the same,
convey a small Estate belonging to him in the County of *Notting-
ham*, to Trustees and their Heirs (subject to two Mortgages for
400 l.) in Trust to sell the same; and out of the Money arising
thereby, to pay off that Debt due to Sir Robert Sutton; but there
being other Accounts depending between the said Sir Robert Sutton
and John Edlington, and Moneys to be allowed him, which he
had since disbursed on Sir Robert's Account; therefore the Balance
is not so much as appears by that Account; but the same not
being fully stated, cannot here be ascertained; and the said
Trustees have not yet taken upon them the said Trust.

Due from the *York Buildings Company* a Year's Annuity upon their
Bonds the 24th June 1732, 425 0 0

Lent to several Persons at *Grimsby* upon Note, upon and since
the 1st January 1730, which is now owing, 17 9 10

in the Collection of John Clay, at Lady-Day 1732, and the Ba-
lance due upon his Account amounting together to the Sum of
1154 l. 17 s. 2 d. $\frac{1}{4}$ out of which some desperate Arrears, A-
batements to Tenants, and for Out-goings, &c. are to be deducted, 1154 17 2 $\frac{1}{4}$

Paid several Bills within the Time mentioned in this Particular, which have been omitted to be entred before, amounting to — — — — —	131	18	8

The Account in this and the *Ten foregoing Pages, contains a Particular of all *Of the Original Manuscript.
Moneys paid by Sir Robert Sutton, from the First Day of January 1730, to the Twelfth Day of September 1732, as he can find by any Entry in his Books, or can recollect by his Memory: But as there is a small Deficiency to balance his Cash, Sir Robert Sutton apprehends he has made some Payments which he has omitted to enter in his Books, and cannot now recollect.

Sir Robert Sutton thinks it proper to insert here, that he is no ways intitled to or interested in the Rents and Profits of the Jointure Estate of the Countess of *Sunderland*, which was settled upon her by the Earl of *Sunderland*, her former Husband, or to the Interest of the Money which was left to her for her Life, by the Will of the said Earl, or to any other Moneys she was possessed of or intitled unto at their Intermarriage; the same being, by Writings made before the said Marriage, vested in Trustees, or otherwise agreed and settled for the separate and peculiar Use and Benefit of the said Countess of *Sunderland* during their Coverture: And the same, together with all Improvements and Advantages made or to be made thereon; and all other Moneys and Advantages that might accrue and become due to her in any Manner whatsoever, during the Life of the said Sir Robert Sutton, should be at her own separate Use and Disposal, and not any ways lyable to the Debts or Disposal of Sir Robert Sutton; and that the same should be also in Trust, after the Decease of the said Countess, for such Person or Persons as she should, during the Life-time of the said Sir Robert Sutton, notwithstanding her Coverture, by any Deed or Deeds or her last Will and Testament direct or appoint.

Rob. Sutton.

And whereas the said Sir Robert Sutton having several Incumbrances on his Estate, which might occasion the Sale of some Part of his Real Estate for Discharging the same, could not before his Marriage conveniently make a Settlement of his Real Estate upon the Issues of that Marriage, nor make the Provisions for Daughters and younger Children that were suitable; but did agree and promise he would make such Settlement and Provisions, wherewith the said Countess of *Sunderland* rested satisfied; the said Sir Robert Sutton did, by Indentures of Lease and Release, dated the 18th and 19th Days of November 1731, in Consideration of the said Marriage and Agreement, convey unto the Right Honourable Charles Earl of *Sunderland*, John Lord *Dela Warr*, Sir John Stanley, Baronet, and Christian Cole, Esq; and their Heirs, so much of the said Estate, in the County of *Lincoln*, as was settled for his Wife's Jointure, after his own and Wife's Decease, to the Use of his first and other Sons successively in Tail Male; and for want of such Issue, limited the same to his Brother and his Children; and by Indentures of Lease and Release, dated the 7th and 8th Days of January following, conveyed to the same Trustees the aforesaid Estate in the County of *Nottingham*, and the Residue of the said Estate in the County of *Lincoln*, not included in his Wife's Jointure, subject to the Incumbrances thereon, to the like Uses; but with Power, by a Term of 1000 Years, for the said Trustees to raise Portions and Maintenance for the Daughters and younger Children of the said Marriage.

Rob. Sutton.

* Of the Original Manuscript.

SIR ROBERT SUTTON, Knight of the *Bath*, maketh Oath, That the Particulars, Inventories, and Accounts, contained in the * Forty one foregoing Pages, to each of which the said Sir *Robert Sutton* hath subscribed his Name, are True and Exact Particulars, Inventories and Accounts, to the best of this Deponent's Knowledge and Remembrance, of all and singular the Lands, Tenements and Hereditaments, Goods, Chattels, Debts, and Personal Estate whatsoever, which he this Deponent was seized or possessed of, or intituled unto, in his own Right; and which any other Person or Persons was or were seized or possessed of, or intituled unto, in Trust for him this Deponent, or to or for his Use or Benefit, upon the First Day of *January* in the Year of our Lord, One Thousand Seven Hundred and Thirty, or at any Time after, (the necessary Wearing Apparel of this Deponent, and of his Wife and Children only excepted.) And also a true Account, to the best of this Deponent's Knowledge and Remembrance of what Part of such Lands, Tenements and Hereditaments, Goods, Chattels, Debts and Personal Estate, he the said Sir *Robert Sutton*, or any other Person or Persons in Trust for him, with his Privity, since the said First Day of *January* One Thousand Seven Hundred and Thirty, have or hath Conveyed, Alienated, Transferred, or otherwise disposed of, and to what Person or Persons by Name, at what Time or Times, and for what Price or Consideration, either paid down or secured to be paid.
